

# The Napp Pharmaceutical Group

Napp provided financial and non-financial support for the following organisations in 2009:

- *Action on Pain*  
Napp provided sponsorship for the printing of booklets for carers.
- *The Association for Palliative Medicine (APM)*  
Napp's sponsorship has funded research bursaries for APM members.
- *Associate Parliamentary Health Group (APHG)*  
Napp supports the group through its corporate membership and also co-sponsored the APHG Regional Health Conference with NHS North West to discuss the health challenges facing the region.
- *Asthma UK*  
Napp is a corporate 'gold' sponsor of Asthma UK. Our funding supports the core activity and services of the charity, which help to improve the lives of people with asthma. Napp also funded the printing of Asthma UK's 'Missing Out' report.
- *Arthritis and Musculoskeletal Alliance (ARMA)*  
Napp provided sponsorship to support the UK launch of the Charter for Work for people affected by musculoskeletal disorders in the UK. This work spans 2009 and 2010.
- *Chronic Pain Policy Coalition (CPPC)*  
Napp provides corporate sponsorship for the CPPC. We also co-sponsored the launch of the All-Party Parliamentary Group on Chronic Pain and a related audio visual programme on pain.
- *The Florence Nightingale School of Nursing and Midwifery*  
Napp provided a research grant for a UK Undergraduate Pain Education Survey.
- *Leukaemia CARE*  
The company has provided financial sponsorship to Leukaemia CARE in support of its educational patient road show programme.
- *Lymphoma Association*  
Napp sponsorship has supported the reprint of the Lymphoma Association's 'Living with lymphoma' booklet.
- *Myeloma UK*  
Napp's funding is in support of Myeloma UK's pain management programme, which is designed to inform and educate patients and healthcare professionals about pain in myeloma and its management.

- *National Council for Palliative Care (NCPC)*  
Napp is a corporate sponsor of the NCPC and supports the organisation in its goal to improve palliative and supportive care for patients around the UK. This is achieved through joint working on educational activities primarily in the area of pain and symptom control. In addition to this, Napp sponsored a roundtable for the NCPC titled 'Shipman and the impact on palliative and end of life care: finding a solution'.
- *National Cancer Research Institute (NCRI)*  
Napp sponsored the performance of Nell Dunn's play, Cancer Tales, at the NCRI Conference, this included copies of the Cancer Tales workbook produced by our independent associate Mundipharma International Limited.
- *Pain Concern*  
Napp's sponsorship has funded the printing of advice leaflets for chronic pain patients relating to the value of exercise and physiotherapy.
- *Patients Association (PA)*  
Napp is an annual corporate sponsor of the Patients Association and works with the association on research and educational initiatives to enhance the awareness of pain amongst healthcare professionals, patients and policy makers.
- *Pelvic Pain Support Network*  
Sponsorship from Napp has provided support for the Network's contributions to the World Congress of Endometriosis.
